Event Regulations:

Official language: Lithuanian and English

Conditions for participation: Valid FAI sporting licence for 2026.
A participant is a junior up to the year in which he/she turns 18 years

Rules: By participating in the competition the pilot acknowledges the following rules:

- FAI Sporting Code Section 4, Aeromodelling-CIAM General Rules, 2026 Edition, Section C, CIAM General Rules for International Contests, <https://www.fai.org/page/ciam-code>
- FAI Sporting Code Section 4, Aeromodelling, Volume F1 Freeflight Model Aircraft, 2026 Edition, <https://www.fai.org/page/ciam-code>

FAI Jury: Will be appointed in accordance with CIAM regulations.

Timekeepers: One nominated timekeeper will be at each Start pole. Additionally one of the competitors from Start pole group will help as second timekeeper for the colleague participant in flight.

Fly-off: If weather conditions will not permit long duration flights an altimeter use (altitude measurement) might be required for Fly-off rounds.

Protest: All protests must be submitted in writing to the Contest Director no later than 30 minutes after the incident, together with a protest fee of EUR 50, in accordance with the FAI Sporting Code – CIAM General Rules (2026 edition). The protest fee will be refunded only if the protest is upheld.

Safety and Liability: Each participant is responsible for having valid personal insurance. The organizer does not bear any responsibility for damage (health and / or property) caused by the competitor to third parties, including other participants of the competition. Competitors must carry a third party liability insurance as for people participating in sports competition. All competitors must strictly follow the instructions of organisers and judges.

Transportation: Use of vehicles is allowed on roads only. No vehicles parking on flying field (meadow). Driving on fields or meadows is not allowed. If the starting poles will be positioned further from the road, they have to be reached by foot or bicycle.

Privacy: We use personal data (name, address, telephone number, e-mail, date of birth) only for the organisation and execution of the competition. We do not store these data beyond the legal retention periods. This personal data may also appear in published results lists. Participants will be photographed during the competition and the award ceremony for documentation, reports and if necessary advertising of these or similar events. Some of these images may also be published (including online) in trade journals, forums and other media.

Additional Information: The organisers reserve the right to make amendments to this Bulletin. All changes will be announced via official information channels and, if required, coordinated with the FAI Jury.

By registering for the event, competitors confirms that they are familiar, accepts and comply with the conditions and “Event Regulations” of this Official Bulletin.

We will do our best to make perfect competition and enjoyable weekend!
